

Baldwin Lake First Aid & AED Locations

The Baldwin Lake Association has provided 3 locations where general first aid equipment and automatic external defibrillators (AED) are available for emergency situations.

There are flags marking each location so they can easily be spotted from the lake.

1. **Labash's:** North End, Across from Campground
2. **Schirott's:** Southwest Side off Hilltop
3. **Johnson's:** Little Baldwin off Sunset
